

HAWKEYE

Independent · Nonpartisan

Election day: Saturday 16 January 2027

Stay for the count.

Photograph the result posted at your polling unit. It becomes part of a public record anyone can check.

Hawkeye is independent – not INEC, not the government, not a political party.

Before 16 January

- 1 Install Hawkeye**
Hawkeye Election Monitor or Hawkeye Lite
- 2 Verify your number**
A free code comes by WhatsApp or Telegram
- 3 Save your polling unit**
The unit where you vote
- 4 Do the free practice run**
A few minutes. Nothing is published.

On election day

- 5 Vote**
- 6 Stay for the count**
Or come back before counting ends.
- 7 When the result is posted, photograph it and submit**
More than one election? Photograph each result sheet.

No signal? Hawkeye saves your report and sends it when you have signal.

No result is worth your life.

Follow electoral officials' instructions. Never interfere, never argue. Photograph only what is posted or handed out.

Get the app – it's free

Hawkeye Election Monitor · Hawkeye Lite

Scan the code with your phone camera, or search "Hawkeye" on Google Play or the App Store.
